Dated : 14th March, 2024

To,
Dr. Mukhamedieva Gulzada Minalovna,
Head of the Academic School of Business and Management
'Q' University, Almaty, Baizakova 125/185, Kazakhstan

Dear Dr. Mukhamedieva Gulzada Minalovna,

Greetings from **Shobhit Institute of Engineering and Technology (Shobhit University)**, a distinguished Deemed-to-be University located in the vibrant Meerut, Delhi NCR, India. Renowned for our commitment to fostering innovation, research excellence, and academic rigor, our university has established itself as a central hub for scholars and practitioners, especially in the domains of Engineering, Technology, Business Management, Legal Studies, Agra-Tech, and Economics.

At Shobhit University, we are dedicated to creating an environment that encourages interdisciplinary research, international collaborations, and the exchange of cultural and academic ideas. Our state-of-the-art facilities, distinguished faculty, and comprehensive programs are designed to support and inspire our diverse student body and visiting scholars to achieve their full potential.

It is against this backdrop of academic fervor and scholarly pursuit that we warmly invite you, **Dr. Mukhamedieva Gulzada Minalovna**, to join us for a scientific internship from March 18 to March 29, 2024. Your notable achievements as the Head of the Academic School of Business and Management at Q University, coupled with your esteemed position as a senior lecturer at Farabi Kazakh National University, make you an ideal candidate for the same. We are particularly excited about the mutual benefits and insights that your participation will undoubtedly bring to our ongoing projects and academic discourse.

During your internship, you will have the opportunity to engage in collaborative research initiatives, and contribute to the enriching academic dialogue on our campus. We are eager to facilitate a productive and memorable visit for you and look forward to the potential collaborations that may arise from this initiative.

We anticipate your arrival with great enthusiasm and hope that this internship will mark the beginning of a longstanding and fruitful collaboration between our institutions.

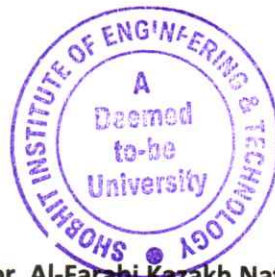

With warmest regards,

Dr. Ganesh Bhardwaj
